

## **ASHBURN GOLF CLUB - DRESS CODE POLICY**

*Effective April 2024.*

### **PURPOSE**

Ashburn Golf Club recognizes the contemporary lifestyle of our members. Tasteful and respectful attire is expected in all public areas of the Club. As a courtesy to each other, we require members and their guests (including children) to follow the dress code guidelines.

The dress code will not apply to the parking lot, walkways from the parking lot, lower hallways and locker rooms, so members and guests arriving at the Club can get to and from their planned activity comfortably.

This policy applies to all members and all guests in the clubhouse, golf course or practice facilities.

Children are the responsibility of the parent member and should follow the dress code as closely as possible while they are at the Club.

### **PROCEDURE**

Members should never address dress code issues with each other and rather should point out infractions to staff. Should a member or guest of a member come to the club out of dress code, they will be addressed and informed by a senior staff member of the infraction. All infractions should be corrected immediately before proceeding on course or into the Clubhouse. Should there be continued infractions by the same member, proper disciplinary action may be required.

Guests should be forwarded a copy of our dress code policy to help eliminate any issues upon their arrival.

### **ROLES & RESPONSIBILITIES:**

It shall be the sole responsibility of the Member to ensure that they, their guest(s), and their children are in appropriate dress while at the Club.
